Wrath of Cannes 2008

Submitted by [caffeinegoddess](#) on Tue, 05/20/2008 - 17:57.in [awards 'n such](#)

You might remember this from [last year](#) when, to honor those who couldn't make it to Cannes, NY-based indie Woods Witt Dealy & Sons created the Wrath of Cannes website with the tagline, "Those who can go to Cannes. Those who can't go to Coney."

Well, this summer WWD&S is taking the Wrath of Cannes to new and freakish heights. The agency is actually putting together a real live awards show to take place on Coney Island (at Cha Cha's Club Atlantis) during Cannes on June 19 (see attached flyer and trophy).

Visit the [wrathofcannes.com](#) for more details. The show is targeting juniors (in all disciplines, not just creative) with two years paid experience or less.
